## Greetings from your President

We are only a few weeks away from our new curling season. Time to start stretching and thinking about what leagues you are going to sign up for! We hope to get all the registrations and leagues organized earlier so our season starts smoothly. We had so many helping hands around the club last season and we look forward to another successful year!

Your Board of Directors don't take the spring and summer off. They continue to attend meetings to review last season and plan ahead for the new season. I look forward to working with the Board of Directors and all of you for the 2019/2020 curling season. Here's to a good year and I look forward to seeing all of you at the Open House! Thank you,

*Rose MacCulloch, President LDCC*

## Membership 2019-2020

Membership forms and invoices will soon be e-mailed to each of you. The cost for this season will be \$310 for ordinary members, \$53 for social members and \$67 for students. We appreciated the respectful response to pay by the deadline last year, and are asking for payment this year by September 30<sup>th</sup>. This time schedule not only benefits our treasurer but helps the convenors with organizing the teams for the first draw. No one will be added to a draw until membership is paid. A \$25 late fee will apply after September 30<sup>th</sup>. Payments may be made on:

- **Registration Night- September 20, 2019;**
- **Mailed to the club;**
- **E-transferred to: [treasurerLDCC@gmail.com](mailto:treasurerLDCC@gmail.com), security answer: curling 2019.**

*"Tuque de Broue provides tasters."*

Swing n' Sweep

The annual Swing & Sweep on October 19<sup>th</sup> will take you out of the golf season and into the curling season all in one day! The Swing & Sweep has been a huge success the last few years so don't wait to sign up to secure your spot! Sign up as a team, a double or an individual. A perch lunch will be served. More details on the event coming soon! Contacts for this event are:

## Your Equipment

---

*"Please replace or clean your gripper."*

---

As you prepare for the new season, this is a great time to have a look at the condition of your grippers. Cleaning your existing grippers (if they are in good shape), with a with soap and water is a great way to start the season. Alternatively, if the grippers are showing any sign of wear and/or deteriorating, please replace them. The club has a good supply of grippers. This is a good practice as debris left behind from grippers can be a nightmare for anyone looking after the ice. The little bits of debris or rubber that come off a gripper can cause rocks to pick and leave the ice looking dirty. Thanks for your help and have a good season.

## Perch Lunch – Williamstown Fair

Once again, the response for donations for the fair lunches and the help was amazing.

**Thank You** to all for your efforts in making this a successful fundraising event.

Our total profit was \$2,221.

**Special Thanks** to Elaine Warden for Co-ordinating this event with the help of Heidi Gauthier
